Defendants,

MOTION TO WITHDRAW WITHOUT PREJUDICE

NOW COMES the Plaintiff, Stewart A. Webb appearing pro se without an Attorney and in forma pauperis and herein, upon information and belief and established facts, and for his causes of action against all named and unnamed Defendants alleges and states the following files this Motion to withdraw suit without prejudice for the following reasons stated below:

“28 USC § 136 - Chief Judges; precedence of district judges

(e) If a chief judge is temporarily unable to perform his duties as such, they shall be performed by the district judge in active service, present in the district and able and qualified to act, who is next in precedence.”

Chief Judge Vratil and the Kansas District Court could have referred the problem of substituting a judge to the Judicial Council of the Tenth Circuit in **Case No: 12-CV-2705-JAR-KGG** however the Tenth Circuit judges were under limiting statutes that have the effect of requiring the Kansas District judge on the plaintiff's case to have been substituted with a judge from the Tenth Circuit, not Hon. Chief Judge Fernando J. Gaitan Jr. See 28 USC § 46 - Assignment of judges; panels; hearings; quorum... (b) “a majority of whom shall be judges of that court” and 28 USC § 44 - Appointment, tenure, residence and salary of circuit judges
(c)... “each circuit judge shall be a resident of the circuit for which appointed at the time of his appointment and thereafter while in active service.

The substitution with Hon. Chief Judge Fernando J. Gaitan Jr. did not meet the requirement of F.R. Clv. P. Rule 63. Judge's Inability To Proceed which incorporates an express requirement that the parties not be prejudiced.

Hon. Chief Judge Fernando J. Gaitan Jr. was known and knew himself that he not to meet the requirement of an unbiased judge for substitution. And that he could not have heard the case under *Liteky v. U.S.*, 114 S.Ct. 1147, 1162 (1994) and 28 U.S.C. §455(a).

1. Ongoing and Continuous Obstruction of Justice by this said court as in a previous case before this court as stated below.
2. Illegal transfer of this case outside of the Original district to this Court:

3. Previous illegal transfer of case for Injunctive Relief 2009 into this court to illegally dismissed without hearing and stating Pro Se Litigants cannot file in forma pauperis Contrary to rule of law and upheld by the United States Supreme Court that Plaintiff can file in forma pauperis.
4. Judges in this District Fixing Cases as Judges In The United States District Court for The District of Kansas.
5. U.S. Attorney Defending Plaintiffs instead of Prosecuting Plaintiffs for attempted murder of Federal Whistleblower in violating of 18 U.S.C. 1010, 1011, 1012, 1013, 1014, 1015 retaliation against witness and informant and attempted murder. The same Judges in this District were appointed by the same Criminal U.S. Presidents named in previous filings by Plaintiff Stewart A. Webb for Injunctive Relief in 2009 and 1012 under Appeal, George W. Bush, George HW Bush and William Jefferson Clinton to the bench as U.S. District Court Judges. Plaintiff Stewart A. Webb cannot seek Justice in these United States District Court for the District of Kansas or the Western District of Missouri without Obstruction of Justice occurring due to the fact that the Russian KGB Agent-Israeli Mossad-AIPAC-American Mobster Defendant Leonard Millman an Organized Crime Boss and his wife Defendant Elaine Millman an Organized Crime Boss and Defendant Kerre Sue Millman an Organized Crime Bosses Daughter Plaintiffs ex wife who's partners in this Ongoing Organized Crime Syndicate are George HW Bush, Neil Bush, Jeb Bush, George W. Bush, William J. Clinton, U.S. Secretary of State Hillary Clinton, Israeli Mega Mossad Marc Rich, Israeli Mega Mossad Larry Mizel, Israeli Mega Mossad Philip Winn, Senator John McCain, Israeli Mega Mossad Senator Joseph Lieberman and many others in highest levels of the United States Government. That Fugitive and Scamster Israeli Mega Mossad Marc Rich was partners with Plaintiff Israeli Mega Mossad Leonard Millman and Plaintiff Elaine Millman and Israeli Mega Mossad Larry Mizel Defendants Leonard Millman and Defendant Elaine Millman's "Buffer". That Marc Rich was given an illegal Presidential Pardon by then President of the United States William Jefferson Clinton. Clinton's named in Plaintiff Stewart A. Webb related cases for Injunctive Relief now under appeal case number: 12-3300 Webb v. Vratil, et al Dist/Ag docket 2:12-CV-02588-EFM/GLR United

States Court Of Appeals For The Tenth Circuit Re: 12-3300 Webb v. Vratil, et al Dist/Ag docket: 2:12-CV-02588-EFM. Marc Rich's attorney of record Eric Holder is the current United States Attorney General that continues to Obstruct Justice in behalf of Plaintiffs Leonard Millman and Plaintiff Elaine Millman regarding their Illegal Mortgage Backed Securities Frauds 2002-2007, Bank Bailout Frauds 2008 and Mortgage Back Derivatives Frauds 2002-current involving Defendants Leonard Millman and Defendant Elaine Millman and their partners Larry Mizel MDC NYSE, MDC Asset Investors and Norman Brownstein a Vice President and Director of Deutsche Bank Canada in charge of Derivatives which has cause the U.S. TARP Bail out, the U.S. Bank Bailout and the current World wide economic meltdown tied to the illegal sale of Mortgage Backed securities on houses never built (Richmond American Homes) and on houses where MDC Asset Investors a MDC NYSE subsidiary company pulled from the NYSE in late 2007 duplicated Mortgages on Mortgages they purchased nationwide then sold as Mortgage Backed Securities and then sold those illegal Securities as Derivatives.

6. The Defendant Leonard Millman and Elaine Millman control through bribes and payoff of a Major portion of the FBI Federal Bureau of Investigation agents and United States Attorneys in various Districts. Defendant's Millman's hire the former United States attorney in Kansas City, Missouri were Plaintiff Stewart A. Webb seeks Justice from this ongoing organized crime syndicate who Millman's has on numerous occasions tried to murder Plaintiff as stated in this Amended complaint of attempted murder by so called car accident on October 25 2012 as stated in this suit against the above named Defendant's involved.
7. That the Former Fired United States Attorney for Kansas City, Missouri Partners Graves Bartle Marcus & Garrett, LLC. Who represents Defendants Leonard Millman, Elaine Millman and Kerre S. Millman Have filed fraudulent documentation indicating that Defendant Leonard Millman died February 2004 when in fact US Intel sources of Plaintiff would testify that Leonard Millman is alive living in Cuba under the protection of the Russian KGB-Mob and had faked his death because of massive Treason and Sedition against the

United States of America involving the Convicted Espionage agent Jonathan Pollard who was involved with the Russian Mob and the Israeli Mossad involving stolen U.S. Classified Defense Secrets, weapons, nuclear codes and the murder of over 200 CIA Central Intelligence agency personnel. This submission by this law firm representing the Defendants Leonard Millman, Elaine Millman and Kerre Millman would be construed as FRAUDS UPON THE COURT a very serious Criminal offense by Defendants and their acting council.

8. The actions and Massive Crimes by Defendant Leonard Millman's Organized Crime Syndicate Partner George HW Bush a former U.S. President in Obstructing Justice in behalf of Defendants Leonard Millman, Elaine Millman and Kerre Millman by illegally sealing under National Security massive crimes committed by said Defendants Millman's makes it impossible for the Plaintiff to proceed in this suit without an attorney to represent the Plaintiff who is acting Pro Se. The Plaintiff filed Motion for Injunctive Relief in 2009 then again in 2012 In U.S. District Court for the District of Kansas because of 3 attempts upon Plaintiff Stewart Webb's life since filing in 2009 as a Federal Whistleblower. The Plaintiff asked for Illegally Disbarred attorney Bret Landrith to be appointed as council for Plaintiff Stewart A. Webb and Plaintiff has proven beyond a shadow of a doubt in the previous filing in Kansas and illegally transfer to Missouri to this court and illegally dismissed in 2010 that Attorney Bret Landrith was illegally disbarred and has not had Justice in his own case but that this court and the District of Kansas keep sending the cases here to Judge Giatan to fix and dismiss the cases as in the Novation LLC case stated below which is obstruction of Justice a reason to remove Judge Giatan from the Bench. This case and suit for attempted murder is a very complex case that requires a full time attorney that the Plaintiff Stewart A. Webb cannot afford and cannot find an attorney who will go against the current judicial establishment in Kansas City Missouri or Kansas City, Kansas Districts. That the Plaintiff Stewart A. Webb has contacted nearly 30 attorney two Kansas City Attorney's of these 30 Attorneys agreed to represent Plaintiff Stewart A. Webb in this current Suit only to find themselves threatened that if they did represented the Plaintiff Stewart Webb. This was the reason the Plaintiff Stewart A. Webb filed this suit

pro se because of the Statue of Limitations and had no choice but try and represent himself in order to recover medical damages, Financial loss of wages Damages, Property Damages vehicle and contents in excess of \$150,000.00 with treble damages and permanent injury with a permanent broken vertebra in Plaintiff neck Damages with ongoing continues Chiropractic care for back and neck injuries. The Plaintiff has been told he cannot work after 37 years as a General Contractor and is semi disabled now as a result of this attempted murder and another attempted murder as stated in related case number Case Number 12-3300 Webb v. Vratil, et al Dist/Ag docket 2:12-CV-02588-EFM/GLR..United States Court Of Appeals For The Tenth Circuit Re: 12-3300 Webb v. Vratil, et al Dist/Ag docket: 2:12-CV-02588-EFM now under appeal. The Plaintiff Stewart Webb Customer's also has a loss of \$160,000.00 due to Plaintiffs named in this suit burning down the said Plaintiffs customers house Plaintiff Stewart Webb was working on after this attempted murder occurred nearly one year later.

9. Plaintiff Stew Webb has been a guest on over 2,500 Radio and TV Programs since September 18, 1991 and was responsible for the Congressional Investigations and hearings that lead to the Appointment of Independent Prosecutor Arlin Adams for in the 1989 HUD Hearings, theft that was never fully prosecuted the Bush-Millman-Lindner-Clinton Organized Crime Syndicate stole 500,000 apartment units "AIMCO", the Silverado Savings and Loan Hearings involving Leonard Millman and Neil Bush Director of Silverado George HW Bush's son, Denver International Airport Frauds hearings, MDC Holdings, Inc. NYSE Illegal Political Campaign Money Laundering 200 Colorado's biggest case aka Keating 5 hearings to name a few. Plaintiff Stewart A. Webb was illegally charged with threaten telephone calls to Organized Crime Boss Leonard Millman and Elaine Millman that never occurred and was held for 10 ½ months as an American Political Prisoner 1992-1993 to silence the Plaintiff Stewart A. Webb those Charges were dismissed with prejudice by Chief Judge Richard Matsch In The United States District Court for the District of Colorado August 20, 1993. The Plaintiff Stewart A. Webb has evidence of the bribes paid by Defendants Leonard and Elaine Millman to then acting United States Attorney in Denver Michael J. Norton of \$1.5 million dollars.

10. Defendant Leonard Millman had been fined \$80 million dollars in 1997 resulting in various other crimes of narcotics money laundering and bribing public officials, judges, prosecutors and others in what was known as the M&L Business Machines case in U.S. District Court for the District of Colorado. Defendant Millman Plead guilty with a fine of \$80 Million including Millman's partners current Illegal Bank Bailout Scamsters and TARP Bailout Scamster and Derivatives Scamster Killer Larry Mizel, Norman Brownstein and former Mayor of Denver Fredrico Pena who at the time of the indictments and agreed upon fines was Secretary of the U.S. Department of Energy under President Bill Clinton. Pena who had to resign his position within the U.S. Government because he was under Indictment by a Denver Grand Jury. This case was sealed by the U.S. Department of Justice illegally to protect these criminals from exposure by their Partner in crime President William Jefferson Clinton who's attorney James M. Lyons served on the Board of Directors of Defendants Millman's company MDC Holding, Inc. traded on the NYSE. William Jefferson Clinton further gave an illegal Presidential Pardon to Defendant Millman's partner in crime Philip D. Winn who was a Convicted HUD Felon in 1991 and never served a day in Jail and in 2000 was given an illegal Presidential Pardon after the case was sealed in 1991 by Defendant Millman's other stooge U.S. District Court Judge for the District of Colorado Sherman Finesilver who Sealed Phil Winn's case instead of sentencing him to jail. Which the Plaintiff Stewart A. Webb helped the United States Congress and HUD Independent Prosecutor Arlin Adams get the conviction which gave Plaintiff Stewart A. Webb the Federal Whistleblower statues. Philip D. Winn served as a member Defendant Leonard Millman's Board of Directors of MDC Holding, Inc. NYSE and Asset Investors who has cause the illegal Bank Bailout and TARP Bailout as described in Plaintiff other case filed September 5, 2012 in U.S. District Court for the State of Kansas now under Appeal for Injunctive Relief.

George W. Bush, HUD Reinsurance Frauds

George W. Bush, the American People want the
\$300 Million you stole from HUD?

November 2, 2004b

BY Stew Webb Federal Whistleblower/ 2004 Vice Presidential Candidate

stewwebb@stewwebb.com **The Denver Connections a Series on: “The Bush Crime Family”**

Fraudster/Scamster George W. Bush, US Mortgage, Re-Max & Heritage Life, Defrauded HUD out of Billions and George W. Bush's cut was \$300 Million in HUD Insurance Premiums, stolen from HUD. Six innocent men were set up by DOJ, all went to Jail, Bush escaped with the Loot, now the American People want it back.

The Missing \$300 Million from HUD re-insurance Scamster George W. Bush. The Department of Housing and Urban Development-HUD, has been the piggy bank of Scamsters from Denver for years. Those Scamsters were directly tied to “The Bush Crime Family”.

Leonard Millman the Boss Hog for the Bush Crime Family was known among his cohorts as the Denver Connections to Iran Contra.

Millman & his Denver connection were primarily known as among

CIA Shadow Government Players as: “Frauds Are U.S.”

Millman and his fronts-cutouts, have robbed HUD for more than \$1 Trillion Dollars since 1969.

Some of Millman's fronts such as Former Swiss Ambassador Phillip Winn were caught robbing the HUD piggy bank, Winn was caught and was convicted of felony charges, sentence to prison and never spend a day.

Year's later Phil Winn was given a Presidential Pardon by his partner in crime Bill Clinton.

Three Nationally Known Whistleblowers Apply The Heat:

Stephen Dinerstein Defense Intelligence-Famous for The French Connection Bust which became a movie, Al Martin Iran Contra Whistleblower & Stew Webb S&L-HUD-Denver Airport-Keating 5 MDC 200 Whistleblower all forced the issues and apply pressure, on the DOJ-Department of Justice for one of the six HUD patsy's.

The Patsy asked that his name not be mentioned for this story.

The following information was generated in 1999 and we all thought we could accomplish the following, but it turned out the Patsy got out of Jail and lives a life in hell.

Steve Dinerstein, who is currently dying from a biological attack by the Bush Crime Family as of the writing of this story, sent me a copy of the most recent proposed case sheet known as a "Proposed Case Financing Sheet" dated 09-08-97. It's put together, not as a narrative, but in memorandum form. Here's how it reads:

PROPOSED CASE FINANCING 09-08-97

I. SUBJECT: Patsy, MCC, Denver, Colorado.

II. LOCATION & DISPOSITION: 10thFJC "Denver"

Case originally heard by FDJ Z. Weinshank.

Case ended 6-7-91 in guilty verdicts. 7 counts MBW Fraud.

21-year sentence proposed by FDJ Z. Weinshank.

Current PLCF handled by a USA B. Kaulfman PIS DOJ "Washington D.C."

This is what these initials mean.

First, "MCC" -- Metropolitan Correction Center.

"10th FJC" -- Federal Judicial Circuit. "

FDJ" -- Federal District Judge.

"AUSA" --Assistant United States Attorney.

"USAO" -- United States Attorney Office.

"MBW -- Fraud" Mail, bank and wire fraud.

"PLCF" -- Political Liability and Control File.

"PIS DOJ" -- means Public Integrity Section Department of Justice.

I. Type of Case: Iran-Contra sensitive.

Proposed financing: COLA \$15M for three-stage to recovery.

Proposed risk of capital: nil.

Estimated return on investment \$300-400M.

("M" of course meaning millions).

Estimated time to 3-stage completion: 120 days in current political environment.

THREE STAGE RECOVERY

I've got to explain to you what three-stages means because it's not self-explanatory in this letter. You'd have to be in the loop to know.

Three-stage recovery means this is a typical three-stage case.

The guy is currently in jail. First stage, he has to be gotten out of jail.

Second stage is to make sure he stays out of jail through the right legal and political moves. Third stage is recovery of funds.

Next section of this sheet is entitled "Comments.

Nothing ever became of this deal.

IRAN-CONTRA SENSITIVE HUD CASE IN DENVER

Dinerstein's comments, in other words, which he's asked me to paraphrase for security reasons. The reason he wants it done this way is that this is a sensitive case that we are about to take on and it's very close to resolution.

Anyway, in the comments, Dinerstein points out that this is the very last of the Iran-Contra sensitive HUD cases in Denver yet to be resolved.

IMPENDING INDICTMENTS AGAINST FEDERAL JUDGE ZITA WEINSHANK, JUDGE ED BARNHILL, and US ATTORNEY MIKE NORTON (See: www.stewwebb.com/OfficeofCriminalRoundUp.html)

He points out that the resolution of the case is made easier by the impending indictments of Federal District Judges Zita Weinshank and Ed Barnhill and former Assistant United States Attorney Mike Norton on charges of obstruction of justice and conspiracy.

BARBARA KAUFMAN-DOJ PUBLIC INTEGRITY SECTION

These indictments should be forthcoming soon. He points out that he has spoken with Assistant United States Attorney Barbara Kaufman at the Public Integrity Section - that's Lee Radek's office by the way -- at the Department of Justice in Washington.

(Lee Radek is the Sinister IG-Inspector General of the Public Integrity Section of the Department of Justice. Also known as "The GOD Squad" by George H. W. Bush, because CIA Lee Radek Obstructs Justice for Bushes.

Kaufman is desperate to control the political liability of this case and make sure that this is resolved the right way.)

MARGRET LOVE THE PRESIDENTIAL PARDON BOARD

What that means to imply is that they're looking for a deal.

Kaufman mentions to Dinerstein, who mentions in these comments that an earlier proposed solution had been a memorandum from Kaufman to Margaret Love, head of the PBF, the Presidential Pardons Board.

She's the head of it. And that had been earlier discussed -giving this guy an outright pardon and approaching him directly with a deal.

But that had been scrapped, as it was considered that this guy wasn't familiar enough with the liability he represented to be approached with such a deal.

In fact, Kaufman welcomes Dinerstein's involvement as an interlocutor, I guess you could say. I'm reading some of this into it because this thing is written to somebody that really understands what it is that's being discussed.

I am not only paraphrasing it, but I'm also doing a little interpretation for you.

Dinerstein proposes and Patsy and his council, Patsy Attorney Dallas, Texas, has agreed that in exchange of \$50,000 financing commitment stage three - in three stages in other words -\$50,000 financing commitment from someone who will enjoy 25 percent of any and all recoverable sums pursuant to the Patsy matter.

\$1.6 MILLION HUD INSURANCE PREMIUMS STOLEN BY BUSH

Dinerstein states that upon preliminary investigation, it was discovered that \$1.6 million was imminently recoverable pursuant to HUD insurance guaranteed premiums that were paid but never recorded at the time.

This, by the way, is the essence of the bribery, conspiracy and obstruction against the federal district judge.

I'll have to explain some of the background of the Denver HUD thing so this makes sense.

Dinerstein says "\$1.6 million imminently recoverable. "

Another \$400-800m is probably recoverable pursuant to residual equities, residual equity of property, that Patsy and the Patsy Corporation owned and are still intact.

DOJ LEE RADEK-INSPECTOR GENERAL US DEPARTMENT OF JUSTICE-PUBLIC INTEGRITY SECTION

Dinerstein also mentions in the comments that he has a meeting on the 18th with Lee Radek himself, who's an old friend of Steve's, to discuss the political disposition of this case.

I've got to give you a little background for this to make sense, regarding Denver- HUD-Iran-Contra profiteering.

DENVER HUD IRAN-CONTRA PROFITEERING

As we discussed before, this was a scenario of fraud conducted through the HUD office in Denver, when Franklin Pearce was head of HUD and became part of Iran-Contra profiteering, dissipation, illegal transfer of funds, and so on, with Phil Winn, Phillip Abrams, both Denver Connected acting as Under Secretaries of HUD in the 1980s.

BILLION STOLEN FROM HUD THROUGH DENVER

A number of billions were involved in the re-insurance scam.

The center of these frauds was HUD-the HUD office in Denver.

How the fraud worked was by having Iran-Contra connected individuals such as Patsy -although Patsy really didn't understand the bigger scheme.

That's the reason he's still in jail and his partner, Patsy #2, is not in jail any longer, despite having received a similar sentence.

REALTORS, MORTGAGE BROKERS, AGENTS FOR HUD LOANS

The way these schemes work is to form real estate companies and incorporate into them licensed mortgage brokers, to act as pass through agents for HUD loans. And to act as solicitation of guarantee agents.

Millman's Cutout-front, Re-max Denver Broker Randa Rice was involved in the scam with Patsy, and later was caught and given an acquittal on charges in Florida of the same scam.

In another scam similar to this one. A man, who purchased a home from Re-Max Central in Denver, Colorado, was accused by Federal agents of Milking Silverado out of over 500 million dollars. Investigators learned that the homebuyer only bought one home, and that Re-Max Central agents were using his name and identity to committed Real Estate loan frauds. Silverado was owned and controlled by MDC Holdings, Inc., MDC was owned and controlled by Leonard Millman. "Frauds Are U.S. at MDC".

SILVERADO SAVINGS NEIL BUSH & LEONARD MILLMAN

Very simply, projects would be defaulted on or the same mortgages would be applied for. There'd be two, three, and four first mortgages from HUD on the same properties, which would then, in turn, guarantee equally fraudulent bank loans usually through Silverado.

CONTINUATION OF ILLEGAL AND COVERT ACTIVITIES

Monies then would be siphoned off, and ostensibly, this was just part of a much larger fraud that we have discussed. It was one item out of a thousand that was a channel fraud meant to raise a certain amount of money over a period of time, due to the continuation of illegal and covert activities.

REPUBLICAN JUDGES, US ATTORNEYS, & COLORADO ATTORNEY GENERAL GALE NORTON

But, obviously for this to work, there have to be Republican judges involved. Also Republican US Attorneys and Assistant US Attorneys, including Gail Norton, who was Attorney General of the State of Colorado, who will also be indicted shortly for various malfeasances. Gale Norton is George W. Bush's Secretary of Interior.

The reason Dinerstein says it's so easy is because Zita Weinshank and Ed Barnhill, both Republican appointed judges, are part of the original scheme.

In this case, what Patsy and his attorney didn't realize (he had a high-powered attorney who was not politically savvy and didn't understand the politics behind this case) was that Patsy had to be discredited when the thing fell apart.

PATSY AND PATSY 2, THE FALL GUYS

Patsy got a twenty-one year sentence. I think Patsy # 2 got a nineteen-year sentence. The original deal should have been:

They serve three or four years and that was it. They would be released.

How they're normally released is either their cases would be reversed on appeal, purposely-reversed on appeal, and then not re-filed.

Or in some cases, they would be taken out by the Department of Justice and essentially released.

The Department of Justice only has to claim that the inmate is cooperating with a sensitive federal investigation, and that way, they can be kept out forever really. There is no time limit. They can be kept out forever. And that is usually only done, when they want further control on an individual.

In this case, it wouldn't have been necessary.

PATSY WAS NOT A IRAN-CONTRA PLAYER BUT A FALL GUY

I know certainly that the Patsy case somewhat baffled the US Attorney's office, the Department of Justice, in terms of why this guy Patsy didn't make moves earlier to get himself out -or to even approach them to discuss it.

The reason why is because he didn't understand enough of his own situation at the time. He didn't understand the bigger picture, didn't understand the politics, and didn't know what to do, and had an attorney that didn't know what to do.

STEPHEN DINERSTEIN, AL MARTIN AND STEW WEBB GET INVOLVED

It wasn't until the last thirty days when we got involved in it that things started to happen.

And now this guy Patsy will get out of jail.

Getting him out isn't any problem. That can be done in a reasonable period of time.

That's simply filing a motion to get him out pending appeal.

The government will ask for no bond, and the long and short of it is the original case will be overturned very quickly. It won't even have to be heard, as a matter of fact -the minute these judges are indicted and the original US Attorney who prosecuted the cases is indicted (that's if the government will elect not to appeal which is good cover for them)

PATSY'S ATTORNEY

Patsy's attorney is competent. He doesn't understand, but he's competent at least. We've told him what he has to do to file the right motions to recover, which is all that's got to be done.

The government's simply looking for something to hang their hat on. Therefore Patsy has got to make at least the right moves, both in criminal and civil courts.

Dinerstein also estimates in this memorandum that Patsy himself

(Since a copy of this is going to Patsy's counsel) will eventually wind up with approximately a million dollars in his pocket after all percentages are paid out and after all recoveries are exhausted.

PATSY WOULD NEED TO FORGET WHAT HAPPENED

THE DOJ-GOVERNMENT ILLEGAL PAY OFF

The only thing Patsy has to do is forget, keep his mouth shut, and he will be encouraged to, perhaps, relocate in the Caribbean, where he does own a piece of property. He still owns a condo there.

This guy was able to keep some assets after this debacle. However none of those assets are liquid. He couldn't raise any money off of them. That's why he's in this predicament.

POLITICAL LIABILITY AND CONTROL

PATSY OFFERED \$ 1 MILLION BY DOJ MS. KAUFMAN

However, I suspect that Patsy will be happy with the arrangement.

A million dollars. He's a sharp operator, not a Scamster or Fraudster.

It's enough to start his life over and everyone else involved in this case - everyone will make money -and Ms. Kaufman.

That's how you have to talk to this woman. You can't call her Barbara or "Miss" or "Mrs.", it's "Ms." Kaufman. She will get what she wants which is the end of the political liability of this case, and the political liability control file that is currently extant can be retired.

You might also be wondering where the money is coming from that Patsy going to recover.

DOJ-COVER UP AND CONTROL ILLEGALLY HIDDEN FUNDS

Patsy is clearly entitled to XYZ sums. Where the money comes from, by the way, is from pools of money that were originally and quietly set aside by the Department of Justice as these schemes were beginning to collapse in the 1988 to 1991 time frame.

The money already exists in a pool that is just simply held quietly and off the books so to speak. Pay off, Bribes & keep quiet Monies.

DOJ & MILLMAN-BUSH OFFERS TO BRIBE STEW WEBB

I, Stew Webb, was made an offer in the 1990s through Gene "Chip" Tatum.

Redak figured Tatum would pass the word that \$200,000.00 was available any time Stew Webb wanted to start a new life and simply shut up.

I, Stew Webb was previously offer \$7 million by Leonard Millman through another source of Millman's and George H. W. Bush.

They wanted me to accept a payoff and start a new life and forget about my Daughter Amanda, forget about what I knew that could jail them.

The payoff was to be done by a CIA-U.S. Senator Wayne Allard of Colorado. Payments were to be 1/2 million first year and 1/2 million each year there after paid through annuities that would come due.

GEORGE H. W. BUSH MAY HAVE TO REPLENISH

THE BRIBE FUND

I suspect there can't be much money left because of the seventeen Iran-Contra sensitive HUD cases Dinerstein has

been involved in.

There's already been a lot of money paid out, and to my knowledge,

Patsy is the very last.

So I suspect there can't be much money left in the pool.

LIABILITY CONTROL FILE AT THE DEPARTMENT OF JUSTICE

However, of course, there is an advantage to being the last guy left and that is that the Department just wants to clean it up.

If this guy, is in fact (as I believe he is) the last guy to be incorporated into a Liability Control File at the Department, then not only can they close the file on this guy, they can close the file on the whole channel.

The whole thing is shut down permanently, which is another reason they want to move this case along. As you can well imagine, this comes along at a good time for Patsy because of things that are going on beyond his control at the Department of Justice pursuant to what we have discussed - mainly the bigger conspiracy control is beginning to unravel.

Although Patsy is just a tiny cog in the wheel, it certainly creates a good environment for him to deal -now that he's got people handling it that actually know what to do and know who to contact, and have made deals before.

There's going to be a lot of people that are going to make money in this case the guy that comes up with the money to finance it, people who handle it, Patsy himself.

Everybody's going to make money.

And the Department of Justice is going to get what they want.

CONCLUSION

In the end Patsy is now out of Jail cut loose 14 years early, but he has no freedoms, on a 15 parole. He has been ordered to pay restitution of nearly 20 million he does not owe.

Matter of fact the Bushes stole 2-3 million from him.

Bushes and the US Government owe this patsy for 10 years behind bar illegally detained and the mental anguish, defamation of his character etc.

If I, Stew Webb, were on a Jury and herd this Patsy's case, I would award him 10 Billion in damages for what he went through, and indict Bushes for their crimes. The only problem is, "There is no Justice in the Courts of America since the arrival of "The Bush Crime Family in 1981".

See: <http://www.stewwebb.com> Office of Criminal Round Up Page.

There are literally hundreds of pages of documents for this story, I try to incorporate them into the story, but I would have to create at least 50 more pages to understand the paper work.

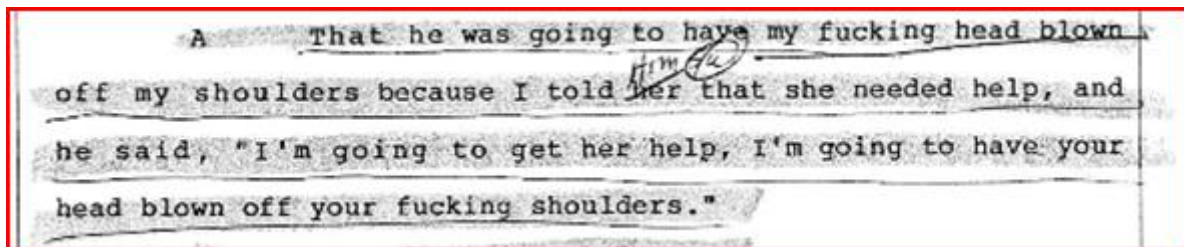

There are nearly 150 True Federal Whistleblower, 1,000 other Bush Liabilities such as Patsy, if these people including myself Stew Webb, were ever allowed to go before a Federal Grand Jury and present our cases, it would be the, "END OF THE BUSH CRIME FAMILY".

8 Q State your name, please, sir.

9 A Stewart Webb.

10 Q Mr. Webb, have you ever had your deposition
11 taken before?

12 A Not that I recall.

13 Q Okay. I'm going to ask you some questions
14 about yourself and about the lawsuit that's pending, and I'm
15 not going to try to confuse you, but if I do ask you a
16 question that is confusing, you don't understand it, will you
17 make me repeat it until you do understand it?

18 A I'll ask you to define it if I don't understand

6 A I will not give that information because my

8 A Well, I'll put it this way, there were numerous

11 were Kerre because I had recorded her and a friend of hers
12 when the June incident occurred, June when she jailed me and
13 she made the statements, "Stewy, I want your blood," and I
14 have her voice on tape. But there were numerous calls

Open Public Letter posted on <http://www.stewwebb.com>

To Plaintiff Stewart Webb's legal Daughter Amanda Webb aka illegal name change to Amanda Millman

Jan. 11, 2004

Dear Amanda,

I am writing this letter to you, with the hope that we may talk,
and soon may possibly see one another.

For 19 years I have loved you with all my heart, you are my only Child.

I know this letter probably comes as a shock and a surprise, it is the hardest

letter I have ever written in my entire life, I did not find you until recently. Aug 11, 1984 your mother Kerre disappeared with you, you were only 28 days old. I last saw you Dec 1984, to this day I carry the last picture I ever had of you, in my wallet. 19 1/2 years ago when you were taken from me my heart was cut out, diced, sliced, and stomped on, I never got it repaired.

I tried everything within my power to establish a relationship with you,

I wanted to be your father/dad, your friend, bring you up, teach you, Love you, care for you, and be there for you. Your mother Kerre tried to kill you and I, on Aug 10, 1984. In 1991 after trying to find you for 7 years, I made contact with your mother Sept. 1991 and she admitted on a telephone taped recording the attempted murders. I have a copy of that recording for you. I wanted to co-parent and get along with your mother Kerre. Your mother and Grandfather Leonard Millman would not allow this to occur. Leonard bought off a Texas divorce Judge (Bribed) to terminate my parental rights, then divorced me from your mother illegally a second time in Denver to insure I could never afford to open the cases.

It would have cost at least 1/2 a million dollars.

I was in the Home Building and Remodeling Business, and could not afford

to play the illegal game, therefore I began investigating the background of your Grandfather Leonard Millman. What I uncovered was the most notorious criminal acts in the history of the world, perpetrated by Leonard,

George H.W. Bush and others. I went to the FBI for Justice in 1986 over the illegal bribes to keep me from being your father, and raising you.

I found my self being falsely arrested, jailed, and beaten by the Police on numerous occasions. I spent \$50,000 between 1986 and 1991 in defense attorneys, and I was never convicted of the false arrests and charges which Leonard Millman and George Bush Sr. ordered. By 1991 I had spent \$52,000 in telephone bills alone, trying to locate you and investigate and jail Leonard for his crimes. And get him out of the way

of you and I having a father/daughter relationship. Leonard's Crimes of not only covering up the attempt upon your life and mine, but stealing from the public, the Government, Narcotics Money Laundering, Narcotics Importations, Iran/Contra, Crimes against Humanity, BCCI, Iraq/Gate, Robbing HUD creating the homeless in America, Blackmailing Congress & Senate, and many other notorious crimes, including murder, and molesting children.

In Sept. 1991 within 2 weeks after contacting your mother, and causing 4 Congressional Investigations and hearing, between 1988-1991, those being HUD 1989, Silverado Savings & Loan, Denver International Airport, and Keating 5 MDC 200 Illegal Political Campaign Money Laundering, an illegal arrest warrant was issued by Leonard Millman for so called death threats. No threats were ever made. I have a copy recorded for you of that call, Leonard tried to have me killed 2 weeks prior, and I wanted to get him down on tape about the attempted murder. I hid from the FBI between 1991 and 1992, I came public and did radio Interviews as a guest, and then I was arrested and held for 10 1/2 months as a Political Prisoner and the charges were dismissed with prejudice Aug 1993. This was to silence me because Millman was on his way to Jail with George Bush, Neil Bush Larry Mizel, Phil Winn, Norman Brownstein, Allen Karsh and others, for their crimes. This is the way the game they play worked to silence me, false arrest.

Since 1984 I have been illegally arrested over 30 times, they have tried to kill me 11 times to date. Three times this year alone.

I have spent literally 1/2 million dollars since 1984.

Amanda, all I ever wanted was to be your father, help raise you,

Love you, and be there for you, being your father.

Because of all this crap I am a marked man, there is a hit on me at the current time. The Lord almighty GOD-Jesus has keep me alive, for this day

that I would make contact with you. I love you with all my heart, and I want to talk with you, see you, and both of us to get to know one another.

I know you most likely have been told by your Mother and Grandparents,

that I am a Nut, a Bum, out to harm you and your mother, and all sorts of other lies they have feed you over the years.

I have heard from friends of mine in the CIA that worked with

your grandfather what has been feed to you in the way of lies.

I cannot control those lies, but it is time that your know the truth.

Amanda, One thing I have learned in life that there are 2 sides to every story, and that in order to seek the truth, one has to analyze booth sides

of a story to get to the bottom of the facts and the truth.

I hope you will do this.

I have a website <http://www.stewwebb.com> on my site is a copy

of my current Federal Grand Jury Demand filed in United States District Court Denver Colorado Case number 95-Y-107 filed July 3, 2003,

it states in the filing under the Complaint what has occurred,

your name is in the complaint.

Please go and read this on the front page, or go to the left column under Archives Federal Grand Jury Demands.

Also for your understanding, your mother was massively abused as a child by your grandparents Leonard and Elaine Millman.

On the front page of my website are Kerre's own writings of abuse.

When you study abuse child syndrome now adult syndrome, you will see

that the abused have a tendency to please the abusers, this is what your mother has done over and over again with Leonard and Elaine.

And this is why your mother has been married 4 times that I am aware of,

she abuses her spouses, I pray she did not abuse you.

This is part of the reason they keep me from you and you from me.

Your grandfather hated me, because I believe in GOD, and because they thought I keep your Mother Kerre from them, when we were married

from 1981-1984. She wanted nothing to do with them because of the abuse,

as soon as you were born here they came, then your mother freaked out.

There was always a Satanic Control Leonard had over your mother.

Amanda, you are my only child, I have spent 19 1/2 years of my life

fighting this injustice, All I ever wanted was to be your father

and be there for you.

I hope that you will seek my website, take some time to read what I have been through over all of this, and understand that I Love You, and always

have and always will.

I desire to see you and get to know you and you get to know me.

Since you are of legal age, there is nothing anyone can do to stop us

from knowing one another. This is up to you.

Please keep this communications between us, there is no reason to

stir up Millman's.

You have Grandparents _____, who were there

when you were born, and have desired to see you for 19 years,

they live in _____MO. their telephone number is_____.

I have 2 brothers and 1 sister, your aunt and uncles.

You further have several cousins your age, some older

and some younger, who also want to get to know you.

Amanda I love you and will await your reply, please contact me through

my e-mail address, stewwebb@stewwebb.com & stewwebb@sierranv.net.

Please forward your telephone number, if you would like me to call

you.

Love you

Your Dad

Millman's National Brokerage Company

How does someone like Gunther Russbacher go from being a top-level CIA operative flying Bush to Paris for the October Surprise meeting to ending up in the St. Charles County jail?

To understand that, we have to go back to 1986 when National Brokerage Companies, the CIA proprietary in St. Louis Gunther was running, was being shut down,

That company had its finger in all sorts of things. This was one of the companies that bought the airplanes that carried arms around the world, not just to the contras, but to the Afghans as well. Probably to Turkey, Greece, Philippines and Iraq as well.

The out line will be given in short as possible outline. In order to expedite space, the drug distribution network companies are referred to by numbers and their initials. After initial introduction of people in operations. The people will be referred to by the alphabet A-Z and A1 followed by their initials. The conspirators are so interwoven

in Drug Trafficking, Arms Dealing, and Money Laundering that the saga is interwoven through attempt will be made to segragate then combine for understanding.

DRUGS

The drug operation is known only in part. The entire network is presented in drugs but this is not the only network that operates within the United States.

The short background to show the inner workings. In order to finance the huge operations a source of initial money is needed. The source normally starts with a legitimate business that goes criminal. Counterfieting is the normal first step. The next step is the drugs, then the laundering of profits and a final stage of arms dealing (both small and up to artillery).

The operation that is now presented. The items to check. The company of Southern Illinois Road Builders, Inc. that was formed in Marion, IL. The one partner, Mr. Donald Bateman was a counterfieter. The bank of Little Egypt in Marion had the bank president Richard Dodd committ suicide while the major holder of this banks paper, Boatmen's Bank of St.Louis, Missouri President Mr. Armstrong ran to South America never to return, counterfeit money being laundered by both. During this time frame the largest Drug Ring in midwest was formed by Mr.Rick Thorpe. The name was called The Company. Mr. Thorpe a business associate of said Mr. Bateman. Mr. Thorpe went into Air Cargo Business and owns an Airport in Atlanta, GA. In Atlanta, GA or rather Douglas, GA. lived a Dr. Gillard the head of Douglas County, GA. Hospital. Dr. Gillard wrote scripts, manufactured Dalidos (Synthetic Heroin) and

GA. lived a Dr. Gillard the head of Douglas County, GA. Hospital. Dr. Gillard wrote scripts, manufactured Dalidos (Synthetic Heroin) and Crystal Meth. Dr. Gillard business associate of Mr. Bateman.

Another branch was forming in Atlanta, GA and further south. At Miami, FL. a series of air transportation companies had adjacent offices & hangars. Briefly the operation was this. Southern Air Transportation was flying small arms to South America and returning with cocaine. Crittenden Air Transportation was doing the same on a contract basis. At the same location was Pam Cargo that was owned and operated by Mr. Sarrkes the nephew of King Faud of Saudi Arabia. (Since Departed) this cargo brought in Hashis and Heroin. Sarrkes was business associate of S. Crittenden of Crittenden Cargo. In San Fransico, California another cargo operation owned by Pakistan personnel listed as Air Ticketing Network was operating. This company also had a secondary company in Denver, CO called Colorado Satellite T.V. The A.T.N. Cargo brought in Heroin. The heroin was distributed to Denver CO. The drug of choice varies in people so exchanges were arranged. The exchange point in this ring was Denver. The heroin brought in by Sarrkes was Turkish-Indian-Pakistan type heroin whereas the San Fransico variety was China White 99.9. To explain, the heroin China White 99.9 was taken to Denver via ATN Cargo. Crittenden Cargo was taking the cocaine to be exchanged for heroin to Denver, same with the Hashis and Dr. Gillards products. The A.T.N. Cargo was also delivering to Austin, Texas via Continental Cargo. The returned China White was flown into Atlanta, GA. to The Company airport. At the Atlanta, GA exchange Crittenden Cargo picked up for Miami, FL, Caldwell Cargo picked up for Charlotte, NC, charter cargo planes were used for other major locations, and Chemitco-Concorde Cargo was use to St.Louis, area. "Pot" was also handled by the tons, basically by The Company which also flew into Detroit, Chicago, and

St. Louis. The hashis was brought in via of A.T.N. Cargo from Pakistan under operation of Howard Marx a.k.a. Marks. Mr. Marx was a friend of Mr. Bateman also but more importantly he was a direct connection of B.C.C.I. The B.C.C.I. connection was surely required after the suicide of Marion, IL banker and flight by Mr. Armstrong, as both had been the laundering link for counterfeit money to establish this network. A complete diagram at end will show more vividly this operation. The note should be added here that the products were stored in warehouse as necessary and that brings in the J.W. Schildtknetch connection. He was employed by Parks Corporation that had warehouses in Charlotte N.C., Charleston, W.VA, Cleveland, OH., and St. Louis, MO., Chemito-Concorde network had a total of 76 warehouses nationwide to include Austin, TX., Atlanta, GA., Miami, FL., and Denver, CO.

At the same time this was going on another company in St. Louis, a steel company was being purchased by National Steel Corporation of Pittsburg, PA.

This steel mill was selling certain types of steel for export by showing it as "scrap" and thus avoiding federal law concerning an end use statement. The steel was being sent to Brazil for re-exporting to third world countries. Another few interesting facts about the steel mill. This where the "weapons" from evidence rooms were allegedly destroyed. A check of the drug network show differently, the weapons were flown to the Contras as in Iran-Contra Affair. Same airplanes and of course weapons from Detroit area where National Steel had another plant as well as Wierton, W.VA. Southern Air & Crittenden Cargo delivered to Contras and brought back the other cargo. National Steel

so built two Tube Mills - those mills produced pipe as well. A gun

arrel regardless of size is a tube. Same method scrap to Brazil then re-export. A subcontractor of G.C. Steel bought scrap from defense contractors and shipped also. Enough "scrap" (actually perfectly good) parts make a whole - say tank. National Steel customers included Stupp Bros. who make shell casings for government. At the time this was all going on, a man named Gerald Bull, a gun designer, and a man who had his problems with Federal Government set up shop in St. Louis. The man operated through a small corporation called Liberty Loan. Another company was formed called Styx Company that were stock brokers, in fact their famous customers included Gerald Bull, Adan Khassoggi, Howard Marx, Rich Thorpe and Mr. Armstrong. This company was followed by yet a third company called National Brokerage, operated by an Austrian National named Joseph Peden a.k.a. Gunther Rassbacher. This firm brokered weapons, aircraft both fixed & rotary wing. Simply put the players were in place for arms manufacture and shipment. In St. Louis was the world headquarters of General Dynamics. Rassbacher of a.k.a. Peden was an arms dealer in aircraft that was manufactured by General Dynamics Apache Helicopters and F-16. Khassoggi was a dealer in other arms. Granite City Steel owned by National Steel had a sales office adjoining General Dynamics in same building on the same floor. They also had an organization named the Veeder Korean Council next to General Dynamics. National Steel has arranged for one of their subcontractors to purchase the "scrap" at the tank plant. To give an idea of this alliance McDonnell Aircraft lost a 200 million dollar deal to General Dynamics after the visit of the Koreans to the Veeder Korean Council. The "scrap"

heavy artillery parts would then be loaded into a railroad scrap car for transporting. The cars would be reported damaged to railroad and a car broker would purchase the cars from the railroad. The railroad would then give the cars a "non-revenue" move (loaded) to any destination in U.S.A. The cars would be reported destroyed by railroad and numbers removed from cars and painted scrap. This effectively moved the "scrapped" parts to another location to load in barge for export. The car brokers were Parks Corporation, J.W. Schildtknetch. The "parts" would be loaded in barge & shipped to meet a steamer. General Dynamics owned majority stock by Crown Family, further the barge line was Souix City, New Orleans also owned by Crown Family, the railroad was Rock Island Railroad also owned by Crown Family. At steamer location two methods could be used - first method was via Stinson Steamship Line owned by National Steel or via any vessel flying Brazilian or Portugesse flag under Most Favored Nations Treaty. From Assembly in Brazil then to Portugac for sale to the Portugesse Army General and no problem of seaching as the NATO Sea Command (Iberian Sea Command) was under command of Portugesse Admiral. The final transaction was arranged via of the Dergo establishment of Lictenstien owned by Mozar Al Kassar of Damacus, Syria.

The method of payment varied depending on final destination. Sarrkes already mentioned payed in oil. The oil came to U.S.A. and was handled through another company of National Steel - Permeian Partners Oil Transmission Company. This also involved another few interest oil was also handled by a branch of Stiefl Nicholas Company of St.Louis, Mr. H.G. Walker. Mr. Walker had been involved in old Granite City Steel (on

the Board of Directors with Mr. Veeder (former President of Granite City Steel who had founded the Veeder Korean Council). Mr. Walker was also on the Board of Laclede Steel who also supplied in this operation with intelligence maps and reinforcing cable for barrels. As all this was going on the controller of Granite City Steel was a Thomas Huyer who was later deported to Netherlands and Mr. Peden a.k.a. Rassbacher to ^{Spain} Austria. Mr. Brimberry of Styx Company went to jail for embezzlement and Styx was purchased by H.G. Walker. As Styx was closed and accounts assumed by H.G. Walker another source for money transfer had to be found so National Steel hires Hiliti Corporation to do work inside their Steel Mills. Hiliti Corporation owns the entire country of Lichtenstien the home of Dergo establishment and even Interpol has no authority in that country. As the company shut down and Mr. Thorpe went to jail and Crittenden Cargo shut down & Mr. Crittenden went to jail & Continental Bankrupt, and PAM, Mr. Sarrkes was deported to Saudi Arabia the operation changed. Chemitco & Concorde picked up the slack as it was now operated by two former Granite City Steel executives, Mr. Hoff and a Mr. Zorgar, the latter a former Air American Pilot. A Mr. Eisenbeis and Mr. Cueto were the organizers of the Granite City Steel plot dating back to 1963. In that year the Nuclear Submarine Thresher sunk. The power plant called the Silent Propulsion System was installed by General Dynamics. To do this the stern of submarine was opened by Electric Boat Division of General Dynamics and worked over. The wrong steel was used in certain parts and Thresher sank with all hands. This may explain why the former president of Electric Boat Division of General Dynamics fled to Greece - with 200 million and was never chased. Mr. Cueto hired Mr. Hoff at Granite City Steel

and again at Chemitco-Concorde, as he was on the board. Mr. Cueto also hired Mr. Little who is replacing Mr. Eisenbeis. Mr. Eisenbeis was the man who put steel theft scheme in place that resulted in submarine loss.

After all the deportations of people and arrest of people and closing of companies the scenario leveled out again. National Steel incorporated two truck lines, TMK and National Steel Carriers that could replace the Air Cargo routes unquestioned. They also had Ben Franklin Stores requiring warehouses and National Steel Service Centers warehouse to replace Parks Corporation and others. The exchange point remained Denver, the cocaine still came in Miami via Southern Air Transport and "Jinks" Caldwell cargo still handled from Miami only now to Denver and ATN Cargo from overseas to Denver.

Precautions were taken to cover people in the future so a Dr. J. Stephen Ellis was set up (Attorney) to handle identification problems, a Kevin Koonce to launder local money, Mr. Ray Emerson, partner of J.W. Schildtknetch to handle hot shipments into St. Louis. To cover even more local talent was used, for instance a paid government informer named H. Heater patented through Georgetown Railroad in Austin, Texas, a remote control item that could perform multiple functions with same controller. This H. Heater was partner of J.W. Schildtknetch and the mobil scud missiles use said device. The Georgetown Railroad is the supplier of official scales for the governments of Pakistan and India.

The local operations of St. Louis and Atlanta and Charlotte will be explained now as they are known.

In Charlotte, N.C. the "Ned Johnson group was the local cocaine dealer and there is a seperate heroin dealer. "Jinks" Caldwell has been named already. Dr. Gillard is still in business as is Koonce. In St.Louis area (Granite City Steel) Mr.Heater is still setting up Crystall Met Labs, and his friends the Fults family still moving cocaine and now getting off barge lines at Sauget, IL., rather than via Air Cargo. Mr. Bateman is in jail but no counterfiet is needed. Mr. Marx is in jail but the Pakistatn connection of A.T.N. Cargo has no further need of B.C.C.I. and banks in Lictenstien with Dergo establishment. Chemitco & Concorde still operate the operations changed people but not style.

The former mayor of E.St.Louis, and minister Carl Officer, the imprisoned Rev. Joe Davis, and the Rev. Joan Bateman as well as minister in Charlotte, NC., involved the mayor of St.Louis, V. Schomel involved with Chemitco-Concorde. U.S. Congressman Jerry Costello involved with those people via of St.Louis mayor and Mr. Amiel Cueto attorney of Belleville and son of Eloy Cueto of Granite City Steel.

The people in Charlotte a John Doe undertaken and a John Doe minister and an attorney named Merryman and a paid informant named Pee Wee Givens.

National Steel is now owned by Kippon Kokon of Japan. Nippon Kokon is owned in part and influenced by the Yakuza. The networks just described are the sole reason of purchase by the Japanese as the organized crime of Japan, the Yakuza, neede a basis of operation same as the corporate would and this represented organized American Crime

The whole sceniro will and is changing again but the tracks are there.

The case is rested now, on the basis of the facts it must lead to an organizer in the Charlotte area to match an H.G. Walker of St. Louis, few men match that description only one comes to mind, an attorney, a brilliant attorney.

U.S. Magistrate Judge Gerald L. Rushfelt appears to be a felony violation of 18 U.S.C. § 241

Official SEC Whistleblower Complaint Mortgage Backed Securities Fraud

http://www.stewwebb.com/Larry_Mizel_Mortgage_Backed_Securities_Frauds_and_Bank_Bailout_Frauds_03122012.htm

I am not an attorney but I am writing to you to inform you that the order by Magistrate Judge Gerald L. Rushfelt appears to be a felony violation of 18 U.S.C. § 241 in Magistrate Rushfelt's knowing furtherance of the conduct by state of Kansas officials in trafficking children to defraud the federal government out of US Treasury Medicare and Health and Human

Services funds through false claims and to protect the order made by Hon. Judge Carlos Murguia that was used to obstruct Bret Landrith's US District Court

reciprocal disbarment proceeding and hearing.

Magistrate Rushfelt was the magistrate in Hon. Judge Carlos Murguia Novation Cartel case where the two Assistant US Attorney died. First

Assistant US Attorney Thelma Quince Colbert who brought the sealed False Claims act proceeding against Novation with testimony of a Novation medical supply purchasing executive verifying the nationwide restraint of trade in hospital supplies that Bret Landrith had alleged in the private civil action

Med. Supply Chain, Inc. v. Neoforma, Inc., 419 F. Supp. 2d 1316 (D. Kan. 2006) against Novation for violations of 15 U.S.C. §§ 1,2 (Sherman Antitrust Act) and for predicate acts of 18 U.S.C. § 1962 (Racketeer Influenced and Corrupt Organizations Act) that are also grave felonies.

Assistant US Attorney Shannon Ross, who supervised 70 US Justice Department prosecutors and who signed the criminal subpoenas against Novation was found dead in her home just before Bret Landrith's expert testified in

the US Senate antitrust hearing on Novation's conduct to restrain trade in hospitals, and mere days after she signed the criminal subpoenas.

Hon. Judge Carlos Murguia's sanctioned Bret Landrith for asserting there was a private right of action under the USA PATRIOT Act (Public Law 107-56—OCT.

26, 2001) which had been used by the Novation cartel members to keep Bret Landrith's

client out of the nationwide hospital supply market they monopolized. It is beyond dispute that expressly creates several new private rights of action by modifying existing statutes to create liability from private actions for damages. Specifically the USA PATRIOT Act expressly recognizes

private liability related to Suspicious Activity Reports made with malicious intent:

“(3) MALICIOUS INTENT.—Notwithstanding any other provision of this subsection, voluntary disclosure made by an insured depository institution, and any director, officer, employee, or agent of such institution under this subsection concerning potentially unlawful activity that is made with malicious intent, shall not be shielded from liability from the person identified in the disclosure. “

Magistrate Rushfelt, knowing the misconduct of Hon. Judge Carlos Murguia

in ordering that Bret Landrith be sanctioned over \$20, 000.00 for lawfully reporting

the commission of federal felonies under 15 U.S.C. §§ 1,2 and 18 U.S.C. § 1962 in Med. Supply Chain, Inc. v. Neoforma, Inc., 419 F. Supp. 2d 1316 (D. Kan. 2006) had a duty to report Hon. Judge Carlos Murguia. Which to everyone's

knowledge he did not. See Abramson, Leslie W., The Judge's Ethical Duty to

Report Misconduct By Other Judges and Lawyers and its Effect on Judicial Independence. Hofstra Law Review, Vol. 25, No. 751, 1997.

Clearly I Stewart Webb went to court to obtain injunctive relief under federal law to

protect my Constitutional rights. I respectfully do not believe

Magistrate's Rushfelt's dismissal of my action before it is served is a trial on the merits or anything other than a continuation of a conspiracy among some state and federal officials to prevent me from having federal rights. I have laid out my reasons for this belief below.

Please review and give advice.

Thank You

See: Appeal of Dismissal Obstruction of Justice below Filed December 12, 2012 IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF KANSAS Case Number 12-CV-2588 EFM/GLR Originally filed September 5, 2012 Injunctive Relief for attempted

Murder and other Stated Causes of Action including High Treason and Sedition against the United States of America under the Barclay-Cole Indenture Act including False Claims against the United States of America and other illegal Crimes committed by Plaintiffs Leonard Millman, Elaine Millman, Kerre Millman and others in this Ongoing Organized Crime Syndicate and asking for Bret Landrith to be appointed as attorney for Plaintiff Stewart A. Webb.:

There are provisions for substituting a judge in a federal civil action. The judge can even initiate the substitution sua sponte. However, the Kansas District Court and its chief judge did not follow these procedures.

Hon. Chief Judge Kathryn H. Vratil may have decided she was not able to perform her responsibilities related to the earlier action by the plaintiff where she was a defendant. She respectively did not have the right however to appoint Hon. Chief Judge Fernando J. Gaitan Jr. of the Western District of Missouri instead, she was required under 28 USC § 136 to select another judge in the District of Kansas:

“28 USC § 136 - Chief Judges; precedence of district judges

(e) If a chief judge is temporarily unable to perform his duties as such, they shall be performed by the district judge in active service, present in the district and able and qualified to act, who is next in precedence.”

The defendants Chief Judge Vratil and the Kansas District Court could have referred the problem of substituting a judge to the Judicial Council of the Tenth Circuit, however the Tenth Circuit judges were under limiting statutes that have the effect of requiring the Kansas District judge on the plaintiff's case to have been substituted with a judge from the Tenth Circuit, not Hon. Chief Judge Fernando J. Gaitan Jr. See 28 USC § 46 - Assignment of judges; panels; hearings; quorum... (b) “a majority of whom shall be judges of that court” and 28 USC § 44 - Appointment, tenure, residence and salary of circuit judges

(c)... “each circuit judge shall be a resident of the circuit for which appointed at the time of his appointment and thereafter while in active service.

The substitution with Hon. Chief Judge Fernando J. Gaitan Jr. did not meet the requirement of F.R. Civ. P. Rule 63. Judge's Inability To Proceed which incorporates an express requirement that the parties not be prejudiced.

Hon. Chief Judge Fernando J. Gaitan Jr. was known and knew himself that he not to meet the requirement of an unbiased judge for substitution. And that he could not have heard the case under *Liteky v. U.S.*, 114 S.Ct. 1147, 1162 (1994) and 28 U.S.C. §455(a).

Hon. Chief Judge Fernando J. Gaitan Jr. was on the Board of Directors of the Novation LLC hospital St. Luke's and had already used his authority as a federal judge while a Novation director to deprive Landrith's client Medical Supply Chain and Samuel K. Lipari of redress in concerted action with Hon. Judge Carlos Murguia. See Exhibit A Lipari Answer To Show Cause Order Of December 5th, 2008. This was done to obstruct Samuel K. Lipari's efforts to obtain redress and to enter the nationwide hospital supply market as a sole proprietor after Hon. Judge Carlos Murguia's decision in *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006).

Hon. Chief Judge Fernando J. Gaitan Jr. was also the judge on the companion action against the Novation Cartel member General Electric (Jeffrey Immelt, the CCEO of GE is the architect of the Novation Cartel) *Lipari v. General Electric*, US District Court for the Western District of Missouri, Case No. 07-0849-CV-W-FJG. This action was Lipari's attempt to continue to pursue his contract rights against General Electric from a case initiated in Kansas District Court by Landrith. *Medical Supply Chain, Inc. v. General Elec. Co.*, 03-2324-CM, (D. Kan. Jan 29, 2004).

The substitution of a Kansas District Court judge with Hon. Chief Judge Fernando J. Gaitan Jr. was knowingly done or known to Magistrate

Rushfelt to be an act in furtherance of the deprivation of the plaintiff's and Landrith's federal constitution rights for reporting grave felonies.

The substitution with Hon. Chief Judge Fernando J. Gaitan Jr. who had a material private interest in Novation and the Novation hospital St. Luke's (St. Luke's held itself out to be an owner of Novation and to receive kickbacks and residual income from the Novation Cartel's sales of hospital supplies nationwide) was done to injure the plaintiff through violation of the Due Process Clause of the U.S. Constitution. As a director of St. Luke's , Hon. Chief Judge Fernando J. Gaitan Jr. had a direct personal material interest in the outcome of Med. Supply Chain, Inc. v. Neoforma, Inc., 419 F. Supp. 2d 1316 (D. Kan. 2006), the case used by the Kansas District Court to abandon its prior order to stay proceedings until the outcome of the Bolden case and which obstructed justice in Landrith's reciprocal disbarment proceeding. The prior proceeding was not a case or controversy before an impartial court but instead an irregular commission or tribunal violating the Due Process Clause of the U.S. Constitution. United States v. Sciuto, 521 F.2d 842, 845 (7th Cir. 1996) ("The right to a tribunal free from bias or prejudice is based, not on section 144, but on the Due Process Clause.").

Hon. Chief Judge Fernando J. Gaitan Jr. was not reversed or publicly disciplined after dismissing the plaintiff's earlier injunctive relief action. However, the Chief Judge of the Tenth Circuit did step down and leave the bench.

Appeal

Appeal of Dismissal

Obstruction of Justice is Occuring

Notice to the Appellet Court

THE HON. KATHRYN H. VRATIL, AND THE U.S. DISTRICT COURT OF
THE STATE OF KANSAS, et al.

Comes now the Plaintiff Stewart A. Webb appearing pro se and in forma pauperis and files this action for Injunctive Relief against the honorable chief judge of this court and the federal district court for prospective injunctive relief, solely in equity under the United States Constitution to allow me to have an uncompromised qualified legal counsel represent me in the Kansas District Court for a civil RICO action I will file. The Plaintiff is entitled to injunctive relief for the following reasons:

The magistrate's order erroneously applies the principle of res judicata; that the plaintiff's current action is resolved by the earlier ex parte order of dismissal without prejudice Hon. Chief Judge Fernando J. Gaitan Jr.:

"Res judicata is an affirmative defense on which defendant has the burden of proof. See Fed.R.Civ.P. 8(c); Nwosun v. Gen. Mills Rests., Inc., 124 F.3d 1255, 1256 (10th Cir.1997). For the doctrine to apply, four elements must exist: (1) a judgment on the merits in the earlier action; (2) identity of the parties or privies in the two suits; (3) identity of the cause of action in both suits; and (4) a full and fair opportunity for plaintiff to litigate the claim in the first suit. Id. at 1257."

Zhu v. St. Francis Health Center, 413 F.Supp.2d 1232 at 1239,40 (D. Kan., 2006).

The plaintiff's new claim for prospective injunctive relief details additional events that give rise to a new and different basis for the relief sought by the plaintiff and does not have res judicata or collateral estoppel effect.

No Judgment on the Merits

The Hon. Chief Judge Fernando J. Gaitan Jr.'s ex parte order of dismissal without prejudice does not preclude subsequent action: "[A] judgment is not res judicata as to any matters which a court expressly refused to determine, and which it reserved for future consideration, or which it directed to be litigated in another forum or in another action." 242 Kan. at 691, 751 P.2d 122 (citing American Home Assur. v. Pacific Indem. Co.,

Inc., 672 F.Supp. 495 [D.Kan.1987]; 46 Am.Jur.2d, Judgments § 419, pp. 588–89).

The Tenth Circuit recognizes that in matters related to a continuing course of conduct as described in the plaintiff's current complaint, the passage of time may prevent earlier decided issues from determining the outcome of a current case:

"Other jurisdictions have recognized 'the principle that matters adjudged as to one time period are not necessarily an estoppel to other time periods.'" *Int'l Shoe Mach. Corp. v. United Shoe Mach. Corp.*, 315 F.2d 449, 455 (1st Cir.1963); see also *Harkins Amusement Enters., Inc. v. Harry Nace Co.*, 890 F.2d 181, 183 (9th Cir.1989) (rejecting idea that collateral estoppel barred a suit for conspiracy where "the plaintiff alleges conduct that occurred in a different time period"). This is particularly true "when significant new facts grow out of a continuing course of conduct." *Hawksbill Sea Turtle v. Fed. Emergency Mgmt. Agency*, 126 F.3d 461, 477 (3d Cir. 1997).

B-S Steel of Kansas, Inc. v. Texas Industries, 439 F.3d 653 at 663 (10th Cir., 2006).

Res judicata does not bar claims against subsequent conduct, consistent with the US Supreme Court decision on subsequent antitrust conduct being actionable in *Zenith Radio Corp v. Hazeltine Research, Inc.*, 401 U.S. 321 at 340, 91 S.Ct. 795, 28 L.Ed.2d 77 (1971).

New sets of facts arising in later incidents are described in the complaint and give the plaintiff new claims. See 46 Am. Jur. 2d 841-42, Judgments § 567 (1994) (An "earlier adjudication is not permitted to bar a new action to vindicate rights subsequently acquired, even if the same property is the subject matter

of both actions. . . . [A] judgment is not res judicata as to rights which were not in existence at the time of the rendition of the judgment").

The plaintiff's current action seeks injunctive relief based on new violations of fundamental liberty interests that occurred subsequent to the plaintiff's earlier attempt to obtain injunctive relief:

"The doctrine of res judicata does not bar a party from bringing a claim that arose subsequent to a prior judgment involving the same parties.

Accordingly, the claim is not precluded by the settlement and dismissal of those claims."

American Home Assur. Co. v. Chevron, USA, Inc., 400 F.3d 265 at fn 22 (5th Cir., 2005).

No trial between the parties

Magistrate Judge Gerald L. Rushfelt's order dismissing the plaintiff's current complaint based on Hon. Chief Judge Fernando J. Gaitan Jr.'s earlier ex parte order is in error when the complaint was never served on the defendants and the lawfully assigned judge on the case and Hon. Chief Judge Fernando J. Gaitan Jr. of the Western District of Missouri was not a Tenth Circuit judge.

Hon. Judge Gaitan was without jurisdiction

Judge Gaitan currently is obstructing Justice in the same Manner as his previous Obstruction of Justice which occurred

What will it take to remove these criminal Judges who were appointed by the Bush-Millman-Clinton Crime Syndicate who continually obstruct justice for the same crime syndicates against the plaintiff?

MAGISTRATES ORDER OF DISMISSAL above

Magistrate Judge Rushfelt cannot use the earlier order made by a judge
without jurisdiction as a basis to dismiss the plaintiff's claims. See Elliot v.
Piersol, 1 Pet. 328, 340, 26 U.S. 328, 340 (1828), the order is simply void.

There are provisions for substituting a judge in a federal civil action. The judge can even initiate the substitution sua sponte. However, the Kansas District Court and its chief judge did not follow these procedures.

Hon. Chief Judge Kathryn H. Vratil may have decided she was not able to perform her responsibilities related to the earlier action by the plaintiff where she was a defendant. She respectively did not have the right however to appoint Hon. Chief Judge Fernando J. Gaitan Jr. of the Western District of Missouri instead, she was required under 28 USC § 136 to select another judge in the District of Kansas:

“28 USC § 136 - Chief Judges; precedence of district judges

(e) If a chief judge is temporarily unable to perform his duties as such, they shall be performed by the district judge in active service, present in the district and able and qualified to act, who is next in precedence.”

The defendants Chief Judge Vratil and the Kansas District Court could have referred the problem of substituting a judge to the Judicial Council of the Tenth Circuit, however the Tenth Circuit judges were under limiting statutes that have the effect of requiring the Kansas District judge on the plaintiff's case to have been substituted with a judge from the Tenth Circuit, not Hon. Chief Judge Fernando J. Gaitan Jr. See 28 USC § 46 -

Assignment of judges; panels; hearings; quorum... (b) “a majority of whom shall be judges of that court” and 28 USC § 44 - Appointment, tenure, residence and salary of circuit judges

(c)... “each circuit judge shall be a resident of the circuit for which appointed at the time of his appointment and thereafter while in active service.

The substitution with Hon. Chief Judge Fernando J. Gaitan Jr. did not meet the requirement of F.R. Clv. P. Rule 63. Judge's Inability To Proceed which incorporates an express requirement that the parties not be prejudiced.

Hon. Chief Judge Fernando J. Gaitan Jr. was known and knew himself that he not to meet the requirement of an unbiased judge for substitution. And

that he could not have heard the case under *Liteky v. U.S.*, 114 S.Ct. 1147, 1162 (1994) and 28 U.S.C. §455(a).

Hon. Chief Judge Fernando J. Gaitan Jr. was on the Board of Directors of the Novation LLC hospital St. Luke's and had already used his authority as a federal judge while a Novation director to deprive Landrith's client Medical Supply Chain and Samuel K. Lipari of redress in concerted action with Hon. Judge Carlos Murguia. See Exhibit A Lipari Answer To Show Cause Order Of December 5th, 2008. This was done to obstruct Samuel K. Lipari's efforts to obtain redress and to enter the nationwide hospital supply market as a sole proprietor after Hon. Judge Carlos Murguia's decision in *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006).

Hon. Chief Judge Fernando J. Gaitan Jr. was also the judge on the companion action against the Novation Cartel member General Electric (Jeffrey Immelt, the CCEO of GE is the architect of the Novation Cartel) *Lipari v. General Electric*, US District Court for the Western District of Missouri, Case No. 07-0849-CV-W-FJG. This action was Lipari's attempt to continue to pursue his contract rights against General Electric from a case initiated in Kansas District Court by Landrith. *Medical Supply Chain, Inc. v. General Elec. Co.*, 03-2324-CM, (D. Kan. Jan 29, 2004).

The substitution of a Kansas District Court judge with Hon. Chief Judge Fernando J. Gaitan Jr. was knowingly done or known to Magistrate Rushfelt to be an act in furtherance of the deprivation of the plaintiff's and Landrith's federal constitution rights for reporting grave felonies.

The substitution with Hon. Chief Judge Fernando J. Gaitan Jr. who had a material private interest in Novation and the Novation hospital St. Luke's (St. Luke's held itself out to be an owner of Novation and to receive kickbacks and residual income from the Novation Cartel's sales of hospital supplies nationwide) was done to injure the plaintiff through violation of the Due Process Clause of the U.S. Constitution. As a director of St. Luke's , Hon. Chief Judge Fernando J. Gaitan Jr. had a direct personal material interest in the outcome of *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F.

Supp. 2d 1316 (D. Kan. 2006), the case used by the Kansas District Court to abandon its prior order to stay proceedings until the outcome of the Bolden case and which obstructed justice in Landrith's reciprocal disbarment proceeding. The prior proceeding was not a case or controversy before an impartial court but instead an irregular commission or tribunal violating the Due Process Clause of the U.S. Constitution. *United States v. Sciuto*, 521 F.2d 842, 845 (7th Cir. 1996) ("The right to a tribunal free from bias or prejudice is based, not on section 144, but on the Due Process Clause.").

Hon. Chief Judge Fernando J. Gaitan Jr. was not reversed or publicly disciplined after dismissing the plaintiff's earlier injunctive relief action. However, the Chief Judge of the Tenth Circuit did step down and leave the bench.

Lack of a full and fair opportunity to litigate

No claim or issue preclusion results from the out of circuit judge's ruling of dismissal without prejudice of an earlier cause of action for frivolousness before service on the defendants and without an opportunity for the plaintiff to amend.

The magistrate's order dismissing the plaintiff's current cause of action must respectfully be reversed because the magistrate relies on the out of circuit judge's earlier ex parte dismissal where the trial judge lacked jurisdiction to make a determination on the merits of the plaintiff's cause: "It is important to realize, however, that denial of leave to amend and dismissal with prejudice are two separate concepts. See generally, *N. Assurance Co. of Am. v. Square D Co.*, 201 F.3d 84, 88 (2d Cir.2000) (noting that where denial of leave to amend does not reach underlying merits of claim, "the actual decision denying leave to amend is irrelevant to the claim preclusion analysis."). A denial of leave to amend to repair a jurisdictional defect, even on futility grounds, does not call for a dismissal with prejudice. The two concepts do not overlap in those cases where, although amendment would be futile, a jurisdictional defect calls for a

dismissal without prejudice. See *Hutchinson v. Pfeil*, 211 F.3d 515, 519, 523 (10th Cir.2000) (affirming district court's denial of leave to amend to add state law claims on futility grounds, while also affirming dismissal, apparently without prejudice, of entire action for lack of standing); *Bauchman ex rel. Bauchman v. West High School*, 132 F.3d 542, 549-50, 561-62 (10th Cir.1997) (upholding district court's denial of leave to amend complaint

under futility analysis, but reversing merits disposition on pendent state claims and remanding for dismissal without prejudice for lack of jurisdiction). The district court extended the futility principle too far in this case by dismissing with prejudice for lack of standing, since it lacked jurisdiction to make a determination on the merits of the complaint.” *Brereton v. Bountiful City Corp.*, 434 F.3d 1213 (Fed. 10th Cir., 2006).

Magistrate Rushfelt’s Order violates 28 U.S.C. § 1915(d)

Magistrate Judge Gerald L. Rushfelt’s order dismissing the current complaint inherently finds that the plaintiff’s claim for prospective injunctive relief is frivolous because Judge Vratil and the Kansas District Court are immune. This is a clear error of law.

The Tenth Circuit has since reversed a court over dismissing claims for prospective injunctive relief based on official capacity immunity:

“Guttman appears to have advocated a claim for prospective injunctive relief throughout the litigation. If that is the case, then the district court erred in *Guttman I*, 320 F.Supp.2d at 1171, when it held that the individual defendants' absolute immunity barred the *Ex parte Young* claim. See *Verizon*, 535 U.S. at 645, 122 S.Ct. 1753.”

Guttman v. Khalsa, 25 A.D. Cases 1316, 44 NDLR P 130, 669 F.3d 1128 (10th Cir., 2012).

Hon. Judge Vratil and the Kansas District Court are not immune. In *Knox v. Bland*, 632 F.3d 1290 (10th Cir., 2011), the Tenth Circuit stated judicial immunity exists for monetary damages not injunctive relief:

“In any event, judges are generally immune from monetary liability for actions taken in their judicial capacity. See *Lundahl v. Zimmer*, 296 F.3d 936, 939 (10th Cir.2002). In *Pulliam v. Allen*, 466 U.S. 522, 544, 104 S.Ct. 1970, 80 L.Ed.2d 565 (1984), the Supreme Court said that attorney fees in § 1983 cases are a statutory exception to the general rule; but this exception was abrogated by the Federal Courts Improvement Act of 1996. See 42 U.S.C. § 1988(b).”

Knox v. Bland, 632 F.3d 1290 at FN1 (10th Cir., 2011).

The Error of sua sponte Dismissal of an Arguable Question

The Magistrate was respectfully in error to dismiss the plaintiff’s complaint and deprive him of a trial where the law is unsettled on the issue of federal judicial immunity from prospective injunctive relief:

“[I]t is unsettled whether the corresponding immunity afforded federal judges in *Bivens* cases permits or precludes such claims. Compare *Mullis v. United States Bankr. Court for the Dist. of Nev.*, 828 F.2d 1385, 1394 (9th Cir. 1987) (distinguishing *Pulliam* and extending federal judicial immunity to preclude equitable *Bivens* claim) and *Bolin v. Story*, 225 F.3d 1234, 1240-42 (11th Cir. 2000) (following *Mullis*, but noting issue “is a closer one than it would seem at first blush”), with *Scruggs v. Moellering*, 870 F.2d 376, 378 (7th Cir. 1989) (finding *Mullis* immunity analysis to be “of doubtful merit,” though not deciding issue). We express no opinion on the issue and rely instead for our disposition on uncontroversial principles specifically barring the equitable relief sought here.” [Emphasis added] *Switzer v. Coan et al.*, 261 F.3d 985 at FN 9 (10th Cir., 2001).

An arguable question of law states a basis that facially invalidates the Kansas district Court’s dismissal for frivolousness under 28 U.S.C. § 1915(d) (now § 1915(e)(2)(B)) as the controlling precedent for this court proscribes in *Neitzke v. Williams*, 490 U.S. 319, 325, 328 (1989):

“In dismissing the complaint [in *Nietzke*], the district court equated the standard for frivolousness with the standard for a dismissal for the failure to

state a claim upon which relief may be granted. On appeal, the Seventh Circuit reversed the district court's determination that the complaint was frivolous, and a unanimous Supreme Court affirmed the Seventh Circuit's decision. The Court explained that "[w]hen a complaint raises an arguable question of law which the district court ultimately finds is correctly resolved against the plaintiff, dismissal on Rule 12(b)(6) grounds is appropriate, but dismissal on the basis of frivolousness is not." *Id.* at 328." [Emphasis added]

Brown v. Bargery, 207 F.3d 863 at 867 (6th Cir., 2000).

The magistrate's order violates the test of legal frivolity in the Tenth circuit which is whether a plaintiff can make a rational argument on the law and facts in support of his claims. *Bennett v. Passic*, 545 F.2d 1260 (10th Cir. 1976).

The magistrate's order like Hon. Chief Judge Fernando J. Gaitan Jr.'s order in the earlier case violates the United States Supreme Court rulings *Neitzke v. Williams*, 490 U.S. 319, 109 S.Ct. 1827, 104 L.Ed.2d 338 (1989) and *Denton v. Hernandez*, 504 U.S. 25 (1992):

"An in forma pauperis complaint may not be dismissed, however, simply because the court finds the plaintiff's allegations unlikely. Some improbable allegations might properly be disposed of on summary judgment, but to dismiss them as frivolous without any factual development is to disregard the age-old insight that many allegations might be "strange, but true; for truth is always strange, Stranger than fiction." Lord Byron, *Don Juan*, canto XIV, stanza 101 (T. Steffan, E. Steffan & W. Pratt eds. 1977)."

Denton v. Hernandez, 504 U.S. 25, 32-33 (1992).

Magistrate Rushfelt appears to violate 18 U.S.C. § 241

Magistrate Judge Gerald L. Rushfelt appears to be committing a felony violation of 18 U.S.C. § 241 in Magistrate Rushfelt's knowing furtherance of the conduct by state of Kansas officials in trafficking children to defraud the federal government out of US Treasury Medicare and Health and Human Services funds through false claims and to protect the order made by Hon.

Judge Carlos Murguia that was used to obstruct Bret Landrith's US District Court reciprocal disbarment proceeding and hearing.

Even though Magistrate Judge Gerald L. Rushfelt is a federal official, he is committing a civil rights violation of 18 U.S.C. § 241 in concert with State of Kansas officials every time he deprives Landrith of his property right in pursuit of his profession for his federally protected representation of the African American James L. Bolden and Bolden's witness, David M. Price of American Indian descent in the vindication of rights from race based federal civil rights discrimination statutes, that resulted in *Bolden v. City of Topeka, Kan.*, 441 F.3d 1129 (10th Cir., 2006).

Magistrate Rushfelt was the magistrate in Hon. Judge Carlos Murguia Novation Cartel case where the two Assistant U.S. Attorney's died. First Assistant US Attorney Thelma Quince Colbert who brought the sealed False Claims act proceeding against Novation with testimony of a Novation medical supply purchasing executive verifying the nationwide restraint of trade in hospital supplies that I had alleged in the private civil action *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006) against Novation for violations of 15 U.S.C. §§ 1,2 (Sherman Antitrust Act) and for predicate acts of 18 U.S.C. § 1962 (Racketeer Influenced and Corrupt Organizations Act) that are also grave felonies.

Assistant US Attorney Shannon Ross, who supervised 70 U.S. Justice Department prosecutors and who signed the criminal subpoenas against Novation was found dead in her home just before Landrith's expert testified in the U.S. Senate antitrust hearing on Novation's conduct to restrain trade in hospitals, and mere days after she signed the criminal subpoenas.

The plaintiff had a famous investigative journalist Tom Flocco

<http://www.tomflocco.com> investigate the deaths of the Northern District of Texas US Attorneys Thelma Quince Colbert and Shannon Ross. Tom Flocco determined the attorneys had likely been murdered due to their investigation of Novation LLC and the hospital supply cartel members and the threat to the hospital skimming scheme. See: Tom Flocco, Dead, fired

attorneys' Medicare fraud probe linked to White House.

<http://www.tomflocco.com/fs/FiredAttorneysFraudProbe.htm> Exhibit B

Hon. Judge Carlos Murguia's sanctioned Bret Landrith for asserting there was a private right of action under the USA PATRIOT Act (Public Law 107-56—OCT. 26, 2001) which had been used by the Novation Cartel members to keep Landrith's client Samuel K. Lipari and Medical Supply Chain, Inc. out of the nationwide hospital supply market they monopolized.

It is beyond dispute that expressly creates several new private rights of action by modifying existing statutes to create liability from private actions for damages. Specifically the USA PATRIOT Act expressly recognizes private liability related to Suspicious Activity Reports made with malicious intent:

“(3) MALICIOUS INTENT.—Notwithstanding any other provision of this subsection, voluntary disclosure made by an insured depository institution, and any director, officer, employee, or agent of such institution under this subsection concerning potentially unlawful activity that is made with malicious intent, shall not be shielded from liability from the person identified in the disclosure. “

Subsequent to Hon. Judge Carlos Murguia's order sanctioning Landrith in *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006), the Arkansas Supreme Court found liability for a Suspicious Activity Report under the USA PATRIOT Act in the absence of good faith *Bank of Eureka Springs v. Evans*, 353 Ark. 438, 109 S.W.3d 672 (Ark. 2003) in materially the same circumstances as the complaint Hon. Judge Carlos Murguia sanctioned Landrith over.

Magistrate Rushfelt is responsible for knowing the misconduct of Hon. Judge Carlos Murguia in ordering that Landrith be sanctioned over \$20,000.00 for lawfully reporting the commission of federal felonies under 15 U.S.C. §§ 1,2 and 18 U.S.C. § 1962 in *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006).

Magistrate Rushfelt had a duty to report Hon. Judge Carlos Murguia. Which it appears he did not. See Abramson, Leslie W., The Judge's Ethical Duty to Report Misconduct By Other Judges and Lawyers and its Effect on Judicial Independence. Hofstra Law Review, Vol. 25, No. 751, 1997.

Reciprocal disbarment based on fraud on Kansas District Court

As a magistrate on Med. Supply Chain, Inc. v. Neoforma, Inc., 419 F. Supp. 2d 1316 (D. Kan. 2006), Magistrate Rushfelt knew or is responsible for knowing that the case that was used to controvene the order staying Landrith's reciprocal disbarment was procured through fraud on Hon. Judge Carlos Murguia, both in the intentional misrepresentation of law by the Novation cartel attorney John K. Power and by Power's misrepresentation of the facts regarding Landrith's complaint. The Novation defendants including Neoforma also misrepresented the monopolistic consolidation of the electronic hospital supply marketplace Neoforma, Samuel K. Lipari and Medical Supply Chain, Inc. closest competitor with Novation LLC and General Electric during the trial itself in an attempt to placate Neoforma's investors (which included member hospitals) who had been mislead through securities frauds when Neoforma had been taken over by the Novation cartel to prevent it Neoforma from being profitable or from challenging prices set in the nationwide market by Novation LLC. Hon. Judge Carlos Murguia respectfully in error erroneously relied upon Husch Blackwell LLP attorney John K. Power's summary of the case in Power's Motion for Hearing on Dismissal. See Exhibit C Pleading of John K. Power. And shortly thereafter, and without a hearing Hon. Judge Murguia sustained the motions to dismiss and in the order Hon. Judge Murguia sanctioned LANDRITH and Med. Supply Chain, Inc. See Exhibit D Memorandum and Order.

The complaint however had each element John K. Power's motion (exhibit C) stated it lacked. The elements were arranged in a table of contents which directed the parties and the court to the outline sections of the complaint where numbered paragraphs provided supporting averments of fact for each element. See Exhibit E Med. Supply Chain, Inc. Complaint.

The court respectfully in error found that the non fraud based RICO allegations for Hobbs Act extortion and obstruction of justice predicate acts in what was mainly a Sherman Act antitrust action were insufficiently pled. The plaintiff hereby includes a separate attachment of the table of contents section and complaint's RICO elements and supporting facts. See Exhibit F Med. Supply Chain, Inc. RICO excerpt.

Med. Supply Chain, Inc. appealed the dismissal (after Landrith had been reciprocally disbarred) on the grounds that the appeal did sufficiently plead Sherman Act and RICO violations. The appellees made a motion to dismiss the appeal for timeliness. However, the Tenth Circuit referred this issue to the panel and required the parties to brief the action. See Exhibit G Med. Supply Chain, Inc. Brief. The brief identifies each of the elements required under the then controlling precedent for the Tenth Circuit regarding the pleading of RICO claims. The brief identifies by paragraph number each of the supporting averments of fact for each required pleading element. None were missing. See Exhibit F Med. Supply Chain, Inc. Brief RICO excerpts. The Tenth Circuit ultimately ruled that the appeal was untimely and did not address the issues appealed by Med. Supply Chain, Inc.. See *Medical Supply Chain, Inc. v. Neoforma, Inc.*, 508 F.3d 572 (10th Cir., 2007). Samuel K. Lipari as sole successor in interest to Med. Supply Chain, Inc. sought relief from judgment. See Exhibit 8 Lipari Rule 59(e) Answer. But Lipari's motion was stricken by Hon. Judge Murguia.

Since Hon. Judge Carlos Murguia's ruling in *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316, 1333-36 (D. Kan. 2006), dismissing the antitrust and RICO claims, the Kansas District Court and the Tenth Circuit Court of Appeals have reexamined *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544 (2007) where the court addressed the plausibility of an inferred antitrust conspiracy to their Rule 12(b)(6) dismissal standard. The majority of Med. Supply Chain, Inc.'s were non fraud based and the antitrust conspiracy was alleged to be express and averments supporting an overt agreement and concerted action in furtherance of the antitrust and RICO conspiracy claims were contained in Landrith's complaint.

The Tenth Circuit recognized that Fed. R. Civ. P. Rule 8 is still the valid standard for evaluating non fraud based claims under Fed. R, Civ. P. 12(b)(6):

"There is no indication the Supreme Court intended a return to the more stringent pre-Rule 8 pleading requirements. See *Iqbal*, 129 S. Ct. at 1950 ("Rule 8 marks a notable and generous departure from the hyper-technical, code-pleading regime of a prior era . . ."). And in fact, the Supreme Court stated in *Swierkiewicz v. Sorema N.A.*, 534 U.S. 506, 514 (2002), a pre-*Twombly* case, that "[a] requirement of greater specificity for particular claims is a result that must be obtained by the process of amending the Federal Rules, and not by judicial interpretation." *Id.* at 515 (internal quotation marks omitted). Thus, as the Court held in *Erickson v. Pardus*, 551 U.S. 89 (2007), which it decided a few weeks after *Twombly*, under Rule 8, "[s]pecific facts are not necessary; the statement need only 'give the defendant fair notice of what the . . . claim is and the grounds upon which it rests.'" *Id.* at 93 (quoting *Twombly*, 550 U.S. at 555 (alteration in original)); see also *al-Kidd v. Ashcroft*, 580 F.3d 949, 977 (9th Cir. 2009) ("*Twombly* and *Iqbal* do not require that the complaint include all facts necessary to carry the plaintiff's burden."). While the 12(b)(6) standard does not require that Plaintiff establish a prima facie case in her complaint, the elements of each alleged cause of action help to determine whether Plaintiff has set forth a plausible claim. See *Swierkiewicz*, 534 U.S. at 515; see also *Twombly*, 550 U.S. at 570." *Khalik v. United Air Lines* at 5-7 (10th Cir., 2012).

Legal basis for finding a violation of 18 U.S.C. § 241

Magistrate Judge Gerald L. Rushfelt appears to be in violation of 18 U.S.C. § 241 where the magistrate knows or should have known that the first judge on *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006), the defendant Hon. Chief Judge Kathryn H. Vratil acted ex parte to procure Landrith's disbarment by the Kansas Supreme Court.

The Internet postings of filings by Samuel K. Lipari describe Hon. Chief Judge Kathryn H. Vratil's participation in ex parte communications for the purpose of negatively influencing Bret Landrith's oral arguments in defense of his law license and constitutional property right in pursuing his trade by Hon. Chief Judge Kathryn H. Vratil's acting under color of state law to cause retaliation against Landrith for his contracts to represent Bolden and Price's federal civil rights in protected speech against race based animus:

"208. The petitioner's counsel was disbarred through Stanton Hazlett and the State of Kansas Disciplinary office presenting ex parte testimony by Kansas District Judge Kathryn H. Vratil to personnel and justices of the Kansas Supreme Court, disparaging Medical Supply's counsel without his knowledge or opportunity to question Kansas District Court Judge Kathryn H. Vratil's testimony on October 20, 2005 minutes before the Kansas Supreme Court justices heard Medical Supply's counsel's oral argument in defense of his law license. "

Lipari v. General Electric, US District Court for the Western District of Missouri, Case No. 07-0849-CV-W-FJG Proposed Amended Complaint¹. These posting by Landrith's former client Samuel K. Lipari are from cases he had before Hon. Chief Judge Fernando J. Gaitan Jr. in the Western District Court. And were part of filings made before Hon. Judge Gaitan was substituted in the plaintiff's earlier case to deprive him of access to a meaningful hearing to protect himself from continuing retaliation for his whistleblowing.

In the plaintiff's prior action for injunctive relief before this court he filed a motion for summary judgment which contained factual information of Magistrate Judge Gerald L. Rushfelt working in concert with State of Kansas officials to deprive Landrith of constitutional rights under color of state law and to further a racketeering enterprise depriving Landrith's former Cremeen clients of recovery in a mortgage fraud Ponzi scheme:

“128. The affidavit stated Sherri Price came on to Fred Sanders property with two City of Topeka police cars and a code compliance officer to perform an inspection knowing Fred Sanders attorney was out of town. See exhibit 31 Kirtdoll Affidavit.

129. The KDC has knowledge though Magistrate Judge Gerald L. Rushfelt that the replacement attorney Dennis Hawver in Cremeen et al v. Schaefer et al 04-cv-02519-CM-GLR was threatened if he did not voluntarily dismiss the Ponzi Scheme co-defendant Steve Strayer.

130. Magistrate Judge Gerald L. Rushfelt threatened to sanction Hawver because Rex A. Redlingshafer of Stanton & Redlingshafer, LLC had given a notice of Strayer's bankruptcy filing on 02/25/2005 before a finding of Strayer's guilt in the Arizona real estate development RICO Enterprise Ponzie racketeering scheme.

131. The KDC has knowledge though Hon. Judge Carlos Murguia that Hon. Judge Carlos Murguia sanctioned Landrith and threatened to sanction Samuel K. Lipari if the action and any replacement attorney if MSC v. Neoforma was continued in anyway.”

Webb Motion for Summary Judgment

These paragraphs are also part of the plaintiff's filings in the present case. And show what appears to be Magistrate Judge Gerald L. Rushfelt's knowing participation with State of Kansas and federal officials in 18 U.S.C. § 241, conspiracy to deprive Landrith and now the plaintiff of constitutional rights and protections under color of state law:

“A conspiracy under 18 U.S.C. § 241 is different than conspiracies under other statutes in that no proof of an overt act is necessary to establish the existence of the conspiracy. *United States v. Skillman*, 922 F.2d 1370, 1375-1376 (9th Cir.1990). Indeed, to prove a Conspiracy Against Rights, the government must only show that two or more parties entered into an agreement; that the purpose of their agreement was to injure, oppress, threaten or intimidate; that the agreement was intended to affect inhabitants of a State; and that the

agreement was directed towards the free exercise or enjoyment of rights and privileges secured by the Constitution and federal law. *United States v. Redwine*, 715 F.2d 315, 319 (7th Cir.1983), cert. denied, 467 U.S. 1216, 104 S.Ct. 2661, 81 L.Ed.2d 367 (1984)."

US v. Hayward, 764 F. Supp. 1305 at 1307 (N.D. Ill., 1991).

Besides being the prosecuting witness in the federal cases reporting grave violations and federal felonies under 15 U.S.C. §§ 1,2 and 18 U.S.C. § 1962 in *Medical Supply Chain, Inc. v. General Elec. Co.*, 03-2324-CM, (D. Kan. Jan 29, 2004) and *Med. Supply Chain, Inc. v. Neoforma, Inc.*, 419 F. Supp. 2d 1316 (D. Kan. 2006) against the Novation Cartel, Landrith and Lipari were likely witnesses in Assistant US Attorney Thelma Quince Colbert and Shannon Ross' Medicare False Claims Act proceeding styled *US ex rel Cynthia I. Fitzgerald v. Novation LLC, VHA, University Healthcare Consortium et al*, N. Dist. Of Texas Case 3:03-cv-01589.

The state and federal officials including Magistrate Judge Gerald L. Rushfelt's actions against Landrith and now the plaintiff fit the requirements of an 18 U.S.C. § 1503 charge but are also appear to properly be 18 U.S.C. § 241 violations:

" On April 2, 1981, the government brought a superceding indictment which replaced the count of the indictment against Rizzitello involving conspiracy to obstruct justice under 18 U.S.C. § 1503 with conspiracy to violate a citizen's civil rights, 18 U.S.C. § 241. Section 241 contains a harsher penalty than Section 1503. The government represents that the reason for bringing the superceding indictment is the dearth of evidence going to Rizzitello's awareness of Napoli's status as a federal witness. Proof of such an awareness is a necessary element under 18 U.S.C. § 1503, but not an element under 18 U.S.C. § 241."

United States v. Bufalino, 518 F.Supp. 1190 at 1193 (S.D.N.Y., 1981).

Landrith had and the plaintiff has a clearly established right to report violations of federal law without retaliation. The actions taken against Landrith under color of state law to deprive him of his constitutional rights in

violation of federal statutes cannot lawfully prevent him from being an attorney in federal court.

"...the right to inform the United States authorities of violation of its laws, In re Quarles, 158 U.S. 532 [15 S.Ct. 959, 39 L.Ed. 1080]." Twining, 211 U.S. at 97, 29 S.Ct. at 19."

Young v. Matsushita Elec. Indus. Co., Ltd., 939 F.2d 19 at 20 (C.A.2 (N.Y.), 1991).

This court cannot follow the magistrate's recommendation of dismissal against public policy and controlling precedent:

"The public policies embedded in the criminal laws have long been deemed of such importance that the law also encourages persons to report criminal activity to public authorities... Such rulings recognize the long-established proposition that public policy encourages citizens to report crimes. See In re Quarles & Butler, 158 U.S. 532, 533-35, 15 S.Ct. 959, 960-61, 39 L.Ed. 1080, 1080-81 (1895); Lachman v. Sperry-Sun Well Surveying Co., 457 F.2d 850, 853 (10th Cir.1972) ("[I]t is public policy ... everywhere to encourage the disclosure of criminal activity."). Effective implementation of that policy requires the cooperation of citizens possessing knowledge thereof. See, e.g.,

Palmateer v. International Harvester Co., 85 Ill.2d 124, 52 Ill.Dec. 13, 421 N.E.2d 876, 879-80 (1981); Garibaldi v. Lucky Food Stores, Inc., 726 F.2d 1367, 1374 (9th Cir.1984)."

Fox v. MCI Communications Corp., 931 P.2d 857 at 861 (Utah, 1997).

Under the facts of the present complaint, the plaintiff is in imminent danger of irreparable harm from retaliation for his federal whistle blowing activities and requires capable counsel which he still cannot obtain, to protect his fundamental liberty interests:

"Although 'a private citizen lacks a judicially cognizable interest in the prosecution... of another,' private citizens have the right to inform law enforcement officers of violations of the law. Leeke v. Timmerman, 454

U.S. 83, 85-86, 102 S.Ct. 69, 70, 70 L.Ed.2d 65 (1982) (internal quotation marks omitted). In re Quarles, 158 U.S. 532, 535-36, 15 S. Ct. 959, 960-61, 39 L. Ed. 1080 (1895).”

That allows the Commission to minimize the harm to Investors better preserve the integrity of the United States' capital markets, and more swiftly hold accountable those responsible for unlawful conduct.

The Commission is authorized by Congress to provide monetary awards to eligible individuals who come forward with High-quality original information that leads to a Commission enforcement action in which over \$1,000,000 in sanctions is ordered. The range for awards is between 10% and 30% of the money collected.

The Office of the Whistleblower was established to administer the SEC's whistleblower program. We greatly appreciate your interest and we hope that this website answers any questions you may have.
