-----original message-----

Now that this dynamic disinfo duo has gotten this totally BOGUS BUSH/CHENEY "indictment" story out there, it's time to give Heneghan even more attention. Since he has always been very careful to keep himself hidden and not able to be personally contacted, let's get this fraud out into the open now so I'll burst his "shadow" bubble. He can be emailed atgandgbrokerage@msn.com or he can be called at home/brokerage, 310-578-9477, this is in Venice CA. Do call him at all hours of the day since that's when he's doing his trading, he'll love the attention. He also loves taking calls late at night. You should have listened to my WARNING to you, Heneghan, to STAY AWAY from Webb. Since I also know that you are close with Al (I invented the Internet!) Gore, are you aware that Col John Alexander is not only another close friend of Al (GAIA) Gore, but is in FACT Gores' Neuro-linguistic Programmer (NLP)? Do you REALLY think that Gore can actually talk on his own?
